A Little More About Us

The SSBA is a voluntary organisation which has been serving the county of Staffordshire for the last 30 years. The SSBA aims to promote the mental, moral and physical development of school boys and school girls through the medium of badminton and aims to raise the standard of junior badminton throughout the county of Staffordshire. To achieve these aims the SSBA provides the following for its members:

-  Regular structured ability coaching from qualified experienced professional coaches
-  Tournaments organised for age groups Under 11 to Under 17
-  The running of teams starting at the under 11 age group with the three main age groups (under 13, under 15 & under 17) competing with other counties in the national Shires League along with participation in Badminton England Schools & Youth Board organised team tournaments.
-  Close liaison with the Staffordshire County Badminton Association in progressing players to the senior county teams.

Interested in Membership?

Membership is achieved through referral, assessment and invitation. One of our basic objectives is to have Staffordshire's top competitive junior badminton players in their respective age groups. Players are eligible who live or attend school in the county of Staffordshire which for our association also includes the old south Staffordshire boundary areas which are now part of the West Midlands. There are a number of ways in which both school boys and school girls can become members of the SSBA. We are associated with a number of badminton coaches throughout Staffordshire who may choose to refer any child they see as talented to us who will then receive an assessment from our Junior Coaching Secretary Andy Aspinall who also provides coaching outside the SSBA. An excellent way to get started would be first to contact a coach in your area to start lessons and attend classes. The following are all minimum level 2 qualified coaches long associated with the SSBA:

More information can be obtained about the SSBA from the website: www.staffordshirebadminton.org.uk which serves both junior and senior county badminton organisations.

S.S.B.A. Opening and Restricted Tournaments

Every Season the SSBA run two tournaments in all age groups which give the opportunity for every child in Staffordshire to enter. The only exceptions to this are known top players (favourites in their particular age group). These players are restricted from entering the restricted tournaments leaving the results less predictable. These tournaments are a great opportunity for players interested in the sport of badminton to impress SSBA officials. Highest achieving non county players may get invited for further assessment leading to possible membership from their tournament results.
